

Bear Valley Make-Up Work for Absences other than Illness

ASD Policy: Parents who take students on vacations do so with the understanding that homework is not required to be provided by the school. When a family knows in advance that their child will be absent from school, a make-up request can be made through the school office at least three days prior to the absence, but not more than 1 week prior to the absence.

When students are absent from school for sickness, parents should contact the school early in the morning of a student's absence in order for the school to gather the homework assignments. The work will be ready for pick up the next day.
