

BEAR VALLEY ELEMENTARY SCHOOL STUDENT INFORMATION FORM
2017-18 School Year

Dear Parents/Guardians:

It is the time of year that our staff will be working on class assignments for students for 2017-2018. With the possible changes in enrollment and staffing not finalized until after our August registration, class placement is a challenging process. Our goal is to create classrooms that benefit all students balancing the following: class numbers, gender, ethnicity, academics, social emotional needs, separating students who should not be placed together, and parent input. Therefore, we do not take requests for specific teachers. Thank you for providing information about your child.
